Subject: Blue Lake Power weekly entry

Blue Lake Power: Ivan [Lieben](#) and [Mark Sims](#) are traveling to Eureka to the North Coast Unified AQMD District office to review the District's permit, inspection, and enforcement files for BLP ([restarted biomass facility](#)). We would likely travel to Eureka on Wednesday June 26 -28<sup>th</sup>. A 114 for the company is being routed concurrently. Contact Mark Sims 23965
